## IMPORTANT NOTICE

The quoted rates are believed to be in accordance with the rates prescribed by the California Public Utilities Commission as published in its Maximum Rate Tariff 4 and are to be applied to the number of hours involved in providing service, to the actual weight, or to the actual number of other units of measurement, subject to the designated minimum provisions, unless in conflict with the rates and regulations of that tariff. Copies of the tariff are open for public inspection at the Commission's offices in San Francisco and Los Angeles and at the offices of the carrier at whose address is shown on reverse side.

Unless it is specifically and clearly indicated in the Agreement For Service, the NOT TO EXCEED PRICE does not include charges for any accessorial services which may be requested and provided or for which rates are provided in Maximum Rate Tariff 4. That means that unless it is specifically and clearly stated, the NOT TO EXCEED PRICE does not include charges for service including but not limited to appliance servicing, disassembly or reassembly of articles, flight or long carry charges, rigging, hoisting, lowering or elevator charges, shuttle charges, light and bulky article charges, split pick-up and/or delivery charges, storage-in-transit or storage-in transit transportation charges from storage to point of destination, or charges resulting from a failure of shipper to accept delivery as arranged.
